## EXTRA! EXTRA!

### Men's Furnishing Stock at Great Reduction

We purchased, at a big sacrifice, the surplus stock of a large jobber and manufacturer of men's furnishing and haberdashery. He was forced to realize quick money and his offer of the season's best merchandise at 33 1/2 off was quickly snapped up.

### BEAR IN MIND

The attractiveness of this merchandise—its superior quality—and the fact that it is the season's newest in style, makes it most desirable.

Men, young men and boys will attend this sale in crowds. It's the big saving of the year and many will pick up Christmas tokens and remembrances to keep them until Christmas time.

## \$10,000 DAMAGE SUIT IS STARTED

Mrs. Myrtle Ehle, Moline, Seeking to Recover Compensation From City for Accident.

### AUTO HITS STREET BOULDER

Plaintiff Claims Municipality Negligent in Not Removing Stone From Highway in 1914.

Trial of the \$10,000 damage suit brought by Mrs. Myrtle M. Ehle against the city of Rock Island, started in circuit court yesterday afternoon. The plaintiff, who is a resident of Moline, claims to have received serious injuries when an automobile in which she was riding collided with a large boulder in the street on Thirty-eighth street, between Seventh and Ninth avenues. Andrew Olson and J. M. Johnston appear for Mrs. Ehle and John K. Scott for the city.

According to the declaration, Mrs. Ehle and her husband were driving up Thirty-eighth street just south of Sev-

enth avenue at 11 o'clock on the evening of Nov. 11, 1914, when their car struck a large stone in the street, throwing out a child from the lap of Mrs. Ehle, who was seated in the rear seat and plunging Mrs. Ehle to the pavement. She claims painful and internal injuries, as well as a constant headache as the result of the accident. The city is charged with negligence in allowing the boulder to remain in the street for a period of two weeks. It is also charged that the city did not have the street properly lighted.

### The Jurors.

Jurors selected to hear the case are: Rock Island—Louis Eckman, J. E. Hansen, J. Simser. Moline—Leroy Vinton, Frank Wheelock, E. M. Stephenson, Ellsworth Livingston, Arthur W. Wilson, Frank Underwood.

**Club Vacancies Filled.**  
A dozen girls' voices of the best material will fill the vacancies left this year in the Augustana college Oriole club which is under the direction of Professor Arvid Samuelson. Their owners' names, as posted on the bulletin yesterday afternoon, are as follows: Martha Anderson, Althea Brown, Ruth Eliason, Helga Graner, Leona Haywood, Aline Jane Martin, Freda Mattson, Judith McElvain, Ruth Nelson, Esther Peterson, Hazel Westlund and Edna Wilson. Tryouts for these positions were held last week. The first rehearsal of the club took place yesterday afternoon.

**A Medicine of Merit.**  
The great sale of Lydia E. Pinkham's Vegetable Compound all over this land is the result of genuine merit. The reason is that this good old-fashioned root and herb medicine actually helps those suffering from the ailments peculiar to women. If it did not, would not the women of America have found it out in 40 years, so that few of them would buy?—(Adv.)

## SLOW TO INVEST IN GERMAN LOAN, CLAIM

London, Sept. 25.—Small investors are not subscribing to the new German war loan in the same numbers as to previous issues, according to a Reuters Amsterdam dispatch quoting the "Cologne Gazette."

"However important and valuable," says the Gazette, "are subscriptions by the million our war loans would never have been a great success without small single subscriptions."

The paper adds that the farmers are afraid that Germany must suffer bankruptcy owing to the gigantic and ever-increasing cost of the war.

are possible if you will wear a scientifically constructed Ben Jolie Brassiere.  
The dragging weight of an unconfined bust so stretches the supporting muscles that the contour of the figure is spoiled.  
put the bust back where it belongs, prevent the full bust from having the appearance of flatness, eliminate the danger of dragging muscles and confine the flesh of the shoulder giving a graceful line to the entire upper body.  
They are the daintiest and most serviceable garments imaginable—come in all materials and styles: Cross Back, Hook Front, Surplice, Bandeau, etc. Boned with "Washin," the rustless boning—permitting washing without removal.
